

JULY 10, 2013

## MINUTES OF THE MEETING

### ELDRIDGE/WEST OAKS SN17

The meeting was called to order at 7:06 PM, and it was determined we had a quorum in attendance. There were no speakers scheduled to speak. Mark Kirschke represented Councilman Pennington office, and briefed the attendees regarding updates for District A:

The panel replacement ongoing on Eldridge between Westheimer and the Bayou was due to Councilman Pennington getting involved with the PWE and changing the repair design to panel replacement from asphalt repair. Kirkwood will undergo a complete renovation hopefully by 2014.

The minutes from the June 2013 meeting were approved, and we moved to the following committee reports:

Beautification: No news of upcoming events.

Snap: The question was raised regarding the intersection of Eldridge and Westheimer,; who was the controlling party to the intersection, the county and/or the city. The question will be put to the city and will be answered as soon as possible The reason for the question has to do with the “dips on the north and south sides of the intersection which are to the point of being dangerous to the traffic.

Security: No report as the Westside Command Center will not hold another PIP meeting until September.

Flooding/Rebuild Houston: No new information; no report.

Homeless: Jack O’Conner brought everyone up to date regarding the progress in deterring the panhandlers advance. It was noted that both Home Depot and the WestOaks mall were helping with the project. Mandy Semple and her team were to evaluate the homeless in late July/August and would invite Jack and his team to participate.

#### NEW BUSINESS and ANNOUNCEMENTS;

1. Tom Mikus is our new webmaster and is getting everything in order. The newsletters, committee reports, agendas, and the minutes, along with important information will be posted to the website.
